

## WE NEED YOUR TIME AND TALENTS!

The following Volunteer Opportunities require spiritual maturity, commitment and the completion of our volunteer training program:

- Receptionist: Answer the phone, run copies, computer work if comfortable, assist in Chloe's Closet, etc.
- Client Advocate: Will work directly with the clients. Empathically listen to their stories, provide emotional support, provide educational material and outside resources, and prayerful support.
- Registered Nurse: Will work directly with clients similar to client advocate. Administer pregnancy tests, complete client charting, be with client during ultrasound, and make follow-up calls.
- Sonographer or Limited Ultrasound Obstetric Technician: Perform ultrasounds on clients, confer with our medical director on all scans completed, complete client charting.
- Prenatal Educator/Mentor: Work one on one or in small group with clients to educate them on prenatal care, provide emotional support and help in getting ready for the baby at home.
- Data Entry Specialist: Enter data on computer software used at the center, and generate reports as needed.

THE FOLLOWING VOLUNTEER OPPORTUNITIES DO NOT REQUIRE THE COMPLETION OF THE VOLUNTEER TRAINING PROGRAM:

- Chloe's Closet: Work in the clothing room helping to sort, fold, and organize items that are donated to the Women's Choice Center.
- Mailing Team: Join the mailing team to sort, label, and tab special mailings. This is a two or three hour commitment several times a year.
- Event Team: Provide volunteer support during our major fundraising events. Work as you are available and needed.
- Cleaning: Assist in cleaning the Center to keep it attractive and presentable to our clients and community. Wash windows, shampoo carpets, vacuum, scrub restrooms, and other general cleaning. Work as you are available and needed.
- Handyman/Maintenance: Use your skills to enhance the functions and professional appearance of the Women's Choice Center. Work as you are available and needed.
- Gardening/Landscape Help - help to maintain the plants and grounds around the center. (Seasonal)
